Juan Andrés Ospina

BBB: Barcelona, Bogota, Boston is the debut album of Colombian composer and pianist **Juan Andrés Ospina**. *BBB* is a musical journey through **Ospina's** experiences of making music in three different international cities over the past 10 years. Through the use of skilled musical craftsmanship, **Ospina** translates his rich imagination into beautiful compositions and arrangements written for a sextet of fine young emerging multi-national artists.

In *BBB: Barcelona, Bogota, Boston*, **Ospina** crafts elements of his native Colombian music into a fresh, new sound by artfully blending them with traditional jazz elements. **Ospina's** compositions make use of creatively orchestrated melodies and exploratory improvisations to tastefully alternate between beautiful sections of tranquility to more brooding, darker episodes. All of these elements combine to show that *BBB* is a creative and unique album that marks the beginning of what promises will be a long and exciting career of this talented musician.
