Follow is the debut album from Canadian Jazz guitarist and composer **Jake Hanlon**. The culmination of Hanlon's compositional and improvisational approach, *Follow* is an interactive and emotive album that spans styles from straight ahead swing to shifting time signatures to swaying waltzes to gentle ballads.

The musicians who perform on *Follow* are all friends and peers of Hanlon's from his days studying at the University of North Texas. Throughout that time, they all performed frequently together, honing the music presented on this album.

Jake Hanlon

Hanlon is currently an Associate Lecturer at Saint Francis Xavier University, in Antigonish, Nova Scotia, Canada, where he maintains a full schedule of performing and teaching.
